Dear Chris:

In my profession, words are the tools and weapons of the trade, and paper is the vehicle for conveying them. That is why it is so important for me to be well stocked with professional-looking letterhead, envelopes, and business cards at all times. Since I don't advertise like other attorneys, I rely heavily on business cards (in addition to my website) to make my presence known.

I know that I can always rely on you for all of my printing needs, including letterhead, envelopes, and business cards. Your creative ability is unmatched. The quality of your work is excellent, and the speed of your service is swift.

I want to thank you, Chris, for all the great work you have done for me over the years. I have complete confidence in referring to you.

Sincerely,

Paul Shimek III,
