

INTROMinutes Are Prepared, Positive and Professional  
*make the presenter comfortable and the audience eager to listen*

Plans	Tools	Create
<ul style="list-style-type: none"> <li>• The builder's mantra is "measure twice, cut once." What directive do you live by?</li> <li>• What is the first boundary to consider when you start a project? Do you begin with time, money, end use?</li> <li>• What big bold goal are you willing to share?</li> <li>• What's next with your family? First child graduating? Reunion in Italy?</li> </ul>	<ul style="list-style-type: none"> <li>• What app do you use all day long?</li> <li>• What tool do you use to think? A great playlist? a favorite pencil?</li> <li>• Do you prefer hand made one-of-a-kind, or 3-D printed perfection?</li> <li>• In what unique way do you use your phone as a tool that has become integral to your business success?</li> <li>• What tool would you not be willing to live without?</li> </ul>	<ul style="list-style-type: none"> <li>• Where, outside of business, are you a builder? Are you a photographer, baker, woodworker?</li> <li>• Imagine you invented a new tool. What does it give users the ability to do?</li> <li>• What difficult thing do you work on for the satisfaction of creation?</li> <li>• What have you built that you are most proud of?</li> </ul>
