Dear Clay,

I want to thank you personally for the great work you have done for me and my clients over the years.

In 2011 there were two buyers I referred to you that received your excellent service. I can refer you with complete confidence because you are very thorough, detail oriented, and always follow up with every part of the process. You make my clients comfortable with the loan process and that makes my job easier and the whole buying experience more pleasant for them

I am particularly impressed with your weekly progress email that is received by myself, the buyers, and the listing agent. Even if there is nothing to be updated, seeing that email helps all the parties to the transaction calm about the progress of the loan. I have had the listing agent I am co-oping with tell me more than once how much they appreciate that communication, and I have referred you to work with those agents over the years.

I will continue to refer you to my clients and as the market starts to accelerate, I am calm knowing that I have a lender that performs at such a high caliber taking care of my clients and my business.

Thank you again and I wish you much happiness, good health and prosperity in 2012!

With Warm Regards,

Jo Kenney
