Re: Endorsement Letter

Dear Duncan,

Thank you again for the wonderful work you did for me!

To recap, you reinforced the 3 sets of double doors at my condo, which were very susceptible to break-ins with just a simple kick.

You added top deadbolts and your Nightlock hardware to my patio doors – now I know no intruder is getting in that way.

You also reinforced my front door, and secured it using your Door Chucky hardware.

You are a pleasure to work with – always doing what you say you'll do, always being on time, and cleaning up your work as if you were never there. I also appreciate your different hardware color options, and was pleased you had them all in stock – I hate waiting!

The work you did was a great value, and now I know my doors are secure.

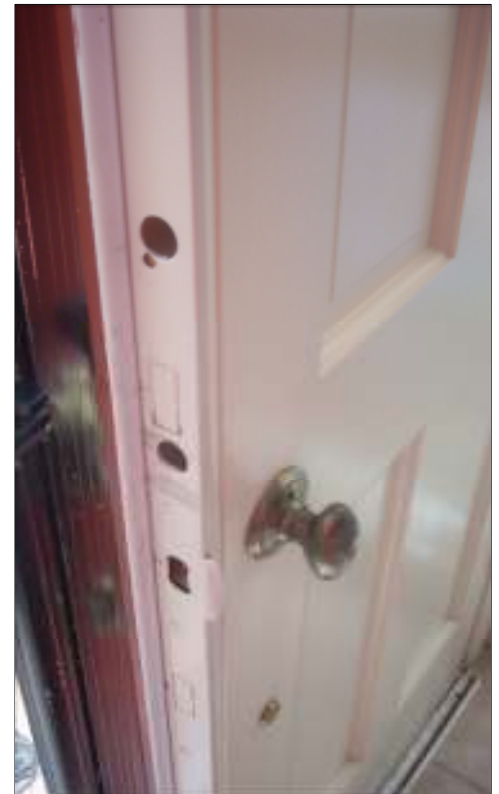

I am happy to highly recommend you to my friends and neighbors, who can all really benefit from your services. Please feel free to share this letter with your clients and prospects.

Thanks again for a job well done!
