To Whom it May Concern:

I am writing to express appreciation to **Re/Max Executives, the Glenda Alexander Team, and especially to our Realtor, Kevin Guidry.** Living 300 miles away made it difficult for us to stay on top of the situation. Kevin did that for us.

From the moment we put the house on the market in July until we had a contract in December (we lost 6 to 8 weeks because of the Olympics) Kevin was always there when we felt we needed him. He went out of his way to help us by doing such things as helping us hang dry wall and installing floor tiles in a utility room and bathroom.

His advice was always sound, but we never felt pressured. He was always available by telephone or fax, and he made a point to be available for us during our trips to Atlanta.

For Marylee and me this was a pleasant selling experience despite the work and anxiety involved. We simply cannot say enough about Kevin Guidry and his team of real estate professionals.

Sincerely yours,

Alexander M. Stuart
