Dear Carrie Leary,

Thank you so much for all you do for my business! As you know, the implementation of The Affordable Care Act had me stressed out completely. I had no idea how the ACA would affect my business or my employees. Luckily I had you to turn to.

You led me in the right direction regarding the decisions I had to make and you saved Lazy Day from suffering any kind of losses due to the parts of the act that aren't so "affordable". You did all of this while keeping me calm. I trust you as much as anyone I know and I am proud to call you a business associate and friend.

Sincerely,

Christopher Ward
