Dr. Jason Regis
Transitions Chiropractic

Dr. Regis,

I wanted to formally "Thank you," for taking care of my back over the last 2 months. As a former PGA Golf Professional with several back injuries, I have seen my share of Chiropractors in my 20+ years of competitive golf.

As I get older, I have learned the value of preventive care and appreciate your diligence of care and explanation of treatment. As a type 1 diabetic and self-described fitness fanatic, I also understand the role exercise, weight training, and diet should be included in everyone's daily lifestyle. Your expertise in these areas keeps you a step ahead of your competition and I trust your opinion(s).

You are a consummate professional and a credit to your trade. I will continue to contact you for my personal chiropractic needs and will continue to refer clients to you in the future.

Professionally,
