Andrew Jones
Atlanta Property Matters

Andrew,

I wanted to formally "Thank you," for the great service you provided in repairing the leak in between the sliding glass doors in our old home and for patching the drywall hole in the basement closet.

After having several others come out and claim to have repaired the leak, you came out, and fixed it permanently. The new homeowners haven't noticed any leaks and are incredibly happy in their new home. Nice work!

You are a consummate professional and a credit to your trade. I will continue to contact you for my handyman needs and will to refer clients to you in the future.

Professionally,
