## Letter of Endorsement

Ed Torrence  
Carpet Direct

November 13, 2017

Dear Ed,

Ed Torrence with Carpet Direct is the TOP direct to your home flooring representative in Metro-Atlanta. He has helped me in my own home and many home staging clients all over our area.

Ed's knowledge of flooring has saved client's getting their homes ready for the market 1000s of dollars. He can help someone selling their home select products that compliments the price point for the home but products that are priced to help the seller not spend more than necessary. I love his diverse selection of carpeting, tile, cork, hardwood and laminate.

Ed not only saves money, but time. He brings the products DIRECTLY to you. You can actually match flooring to your home in the privacy of your home.

I trust Ed. He has helped me in my own home and with clients. As a TOP flooring guy, he can help you or your clients too. If you need new flooring of any kind, Ed is the one to contact.

Sincerely,

Amy Powers
