Snellville, GA 30078

Geoffrey,

I wanted to thank you and your prompt team for putting the finishing touches on my house just before it went on the market. I rarely see contractors dress, work and communicate as professionally as your team did. The modifications were completed on schedule with a clean fit and no need for a return call. I credit your work as part of the success we had in selling the house in 3-days...well above our asking price.

With the growing demand for qualified and dependable contractors in Atlanta, I will confidently be recommending you to my friends and colleagues.

Thank you again for your fine work!

Sincerely,

Jeffrey S. Bird
