Dear Zach,

Thank you for a job well done!

Many Handymen do not have great reputations. Do they answer calls/texts?... Do they show up on time?... Do they finish the work?... Does the final price match the quote?... Is the work any good?...

My experience working with you was fantastic! You were prompt returning texts messages... you showed up exactly when you said you would to look at the job AND then for the day of work... the price didn't change... you knocked it out in the time frame you said.. and I'm pleased with the results.

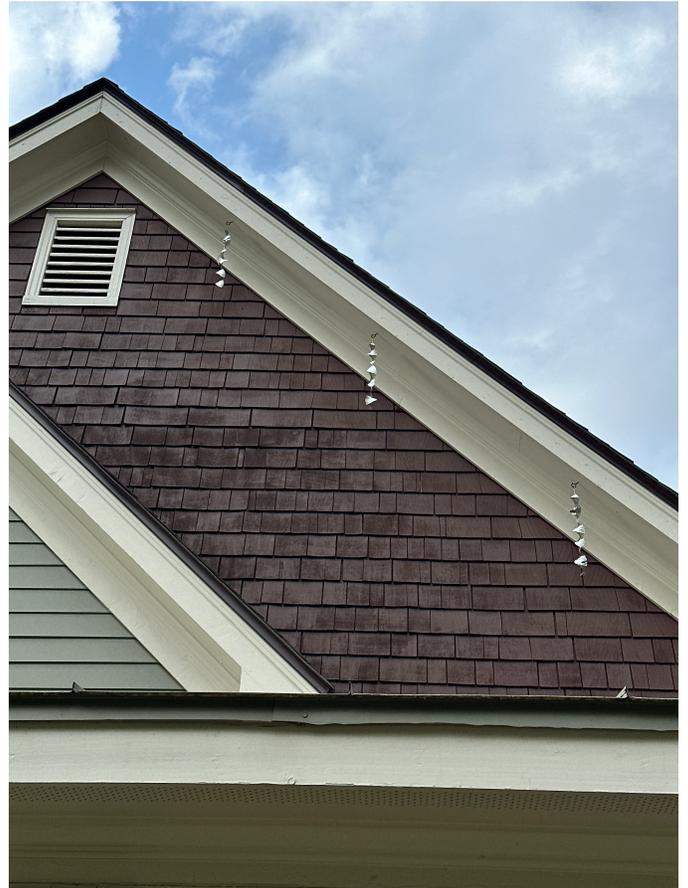

You see, my home endured constant attacks by some aggressive birds, and the damage showed on my cedar shingles. You patched up the damage, re-stained the cedar, hung some deterrent devices, and the results look great! I only hope the deterrent devices work as well as you did!

I know you are able to do a lot of things around the house, and I will be calling and referring you in the future!

Sincerely,

A handwritten signature in blue ink that reads "Clay Jeffreys".
