*Dear Mo,*

Thank you for my recent headshot photoshoot.

I'm *absolutely delighted* with the outcome.

You understood what I was trying to accomplish with the different poses for various uses. And you made sure we kept going until I was happy with the results... which didn't take long because of your wonderful eye and expert coaching!

The makeup artist you provided did a terrific job making me look my best, while still looking like the real estate agent that would show up at the door of a client!

I'm normally not the person who likes to look at myself in pictures. But I can't stop staring at the photos we chose!

*Thank you, thank you, thank you for helping me look good!*

Sincerely,
