Zach Floyd  
GO Roofing Atlanta

Dear Zach,

I'm writing to provide my official endorsement for you as an expert roofer. As one of your GO Roofing clients, I can attest to your skill, and professionalism.

You once explained that a roof might sustain storm damage, but that storm report data that confirms damaging winds or hail in an area expires after one year. If a claim isn't filed within that window, it may be denied, and roof replacement would not be covered. Additionally, our roof was 18 years old. You confirmed damage on our roof from a storm the previous year, and we squeaked in just weeks before the report expired. Your crew showed up on time, replaced the roof, and left no trace.

I believe that your knowledge, attention to detail, and integrity are vital to those seeking these same services in the future. I can confidently refer others to you for their roofing needs!

Thank you!
