Dear Jerome,

Great insurance agents exhibit their strength by preparing their clients for unforeseen calamities in the future. No matter how well intentioned or promised customer service cannot make up for a major loss that the client was not expecting.

Jerome, I can tell by your thoroughness, your continued education and your care for my particular situation that you go above and beyond for your clients. Because of your ability to provide for a number of our needs, I have personally had you cover my commercial vehicle, motorcycle and golf cart.

It has been and will continue to be my pleasure to recommend your business to all my contacts; both in the world of real estate and my personal needs. As we say in football, the best offense is often a great defense. I feel like my needs are covered in the advent of any future emergency.

Best Regards,
