**Re: Endorsement of DeAngela Hudson**

Dee and her team were amazing to work with during our most recent closing together! She takes the time to ensure each step of the closing process and any required deliverables from Buyers or Sellers are handled in a timely fashion. As a closing attorney, this makes my job so much easier from start to finish. It also makes closing day a celebration and not an anxiety ridden experience. I strongly recommend her services as a Realtor, and as a consummate professional to any potential client.

Sincerely,

*Jaryd P. Green*
