Dear Mike,

I wanted to write this letter not only to thank you for doing such a great job painting the inside of our home, but also because as I know you are new to the area, I am happy to share my fabulous experience with you on paper so that others are encouraged to use your services.

I know that you do a lot of different things; decks, staining, carpentry and pressure washing, I asked if you could fix some areas that needed painting in our home. So many times when we have had contractors do work in our home, there is always paint chips or dust left for me to clean. However, when you were finished, there was no mess to clean up ...just an outstanding job. Our house looks great...thank you so much!

I am happy to share what a wonderful experience it was to work with you so don't hesitate to use me as a reference.

Thank you again,

Terisha Tatter
