

Carol Jensen-Linton
Juice Plus
770-842-3559

My wife has been a firm believer and faithful consumer of Juice Plus due to the results she has personally witnessed in its efficacy in her life. She has also come to realize that this supplement regiment needs to be part of her ailing mother's care. Laughing, as my wife says, "Mom needs fruits and vegetables in her life because I can clearly see that she is starching herself from the inside out with her staple of starchy foods." We both knew who to turn to.

Of course, that is where Carol Jensen-Linton enters the picture. My wife was able to connect with Carol personally and quickly over the phone, and in a matter of minutes, an order was on its way to her mom along with an auto-renewal subscription. Exactly what my wife desired- express help and service. Thank you, Carol! Moreover, my wife feels good about ful-filling a much needed addition to her mother's overall health.

Carol, your attentiveness to helping my wife in this situation not only provided a much needed result, but it also made me look good for the referral. Thank you for your role in helping my wife, mother-in-law, and many others become a healthier version of themselves.

Best Regards,
