To Whom it May Concern:

I want to provide an A++ endorsement for Kristen Mehr. She is in a highly competitive business and flourishes because of her competence.

I have a friend who recently hired her named Ed. I have known Ed for 20+ years and he is a tough cookie to make happy and to impress. Ed told me that Kristen was excellent to work with, extremely impressive, and he would hire her again.

I have helped Kristen with some of her clients in rectifying water/mold damage on properties she listed. She was professional, engaged and reasonable.

If you are looking for a realtor for your home and want to know that the realtor will not cut corners and work to get you maximum value, use Kristen!
