Denise:

This letter is to say thank you for the outstanding work you and your team at SBRUS Payroll have done for us! You have made the payroll process so easy, where it was previously very difficult for us! Your “professional hand-holding” was the right answer for our company’s needs!

In addition, you have been fantastic to my clients who needed your help. Your expertise, patience and wisdom has proven invaluable to both the client and me. Every time my phone *doesn’t* ring, you’re my hero! We appreciate you!

Thank you!

Respectfully,

Len Nelms
