KATHERINE SPARKS
ATTORNEY AT LAW

Dear Eleanor,

I am writing to thank you for your help with my business cards and the creation of a logo for my new firm. Like any new business owner, I had a To Do list that seemed to keep growing, but I knew I needed business cards and a professional logo without delay.

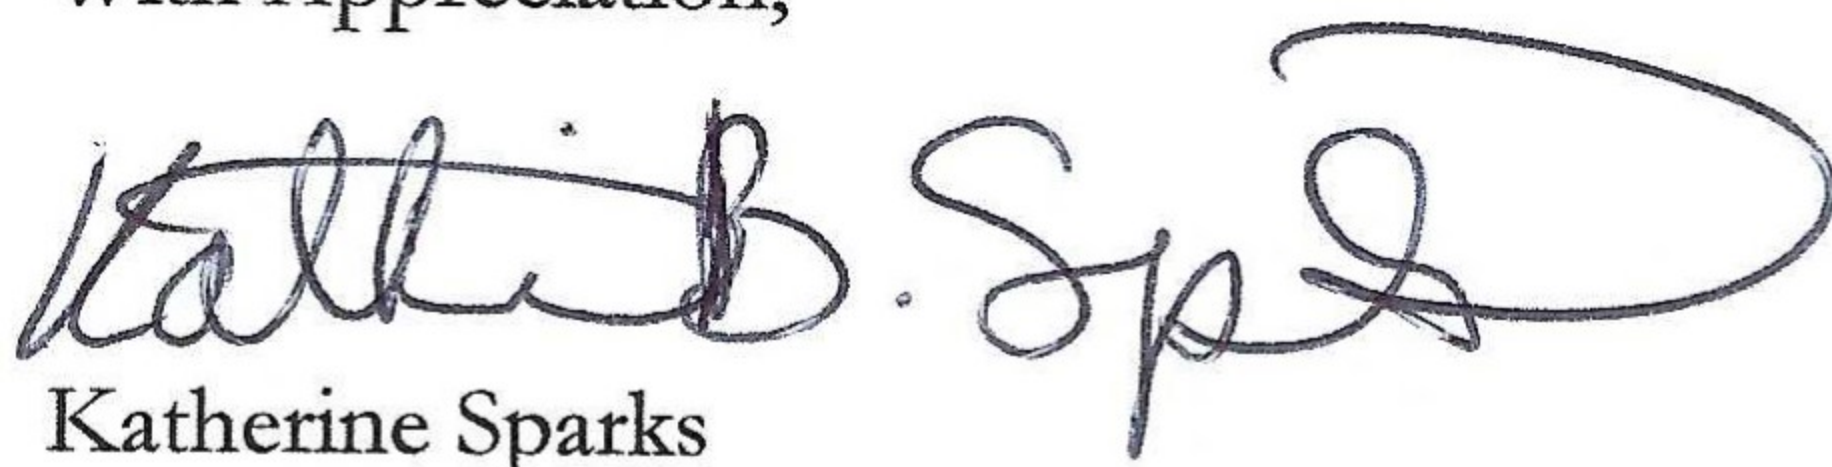

Because of our association in PowerCore, I knew to call you and you skillfully led me through the decisions I needed to make. After our conversation you sent me several possibilities for a logo in my preferred color and you quickly made adjustments to my favorite version. I am so happy with the final product – it is just perfect!

Your advice about the paper style for the business cards was very helpful as well. I appreciate that you took the time to mail me some samples so I could hold the different options in my hand and decide which paper choice was my preferred style.

Once I made a decision, the rest of the process was fast and easy – you even met me near my house to deliver the finished cards!

Thank you for all your help. I heartily recommend your services to anyone looking for a professional and polished business card that is customized for their business.

With Appreciation,

Katherine Sparks
