

Flood & Flame Restoration

February 24, 2025

To Whom It May Concern,

I would like to extend my sincere appreciation to Jennifer Flores for her exceptional assistance in helping my husband stay well during our recent overseas travels. We purchased a Fresh Air Personal Device, and he wore it consistently while in public. Thanks to this device, he remained healthy throughout our trip.

What makes this product even more impressive is its quiet and unobtrusive design. I highly recommend it to anyone looking for reliable personal air protection.
