

Linda Loud, Mark Kay Cosmetics,

I would be remiss if I did not take the opportunity to recognize and thank Linda Loud for her outstanding and impeccable customer service. For the four Christmas's that I have known Linda, she has spearheaded the Adapt-a Grandparent and/or care giver program @ a local senior citizen home. Each year I specifically request that my order would be for both female as well as males and she gladly accommodates. She goes way beyond "just doing her job"! Linda takes extra care by wrapping the packages with a fun bow and has carefully chosen packaging that the recipient can easily unwrap in the event of decreased motor skills. She then hand delivers the presents to the center and gives them out to the recipients. You can just see and feel the love and warmth that Linda puts into each present.

Linda has spoken to us many times about Mary Kays commitments to providing the highest quality standards. Linda is a shining example of Mary Kay's commitment to excellence, Mary Kays not only produces high quality products, but they also produce only the highest quality sales ambassadors.

Thank you, Linda, for showing the world that beauty is more than skin deep!
