**RE: KELLY LAMB**  
**CORPORATE PAYROLL**

When starting a business in 2021 I was a little overwhelmed thinking about payroll. Hiring Kelly Lamb and Corporate Payroll was the best decision I could have made.

I wanted payroll to be as thoughtless and hands free as possible. Kelly came to my office, took 30 min to get all the info she needed, and then poof, payroll was going.

We have two salary employees and 4 hourly. It's very simple submitting the hourly employees hours. We haven't had a single issue yet. Our employees are happy. But most of all I sleep well at night knowing all the taxes are being taken care of and I don't have to lift a finger.

Thank you Kelly for taking payroll off my to do list each week.
