Dear Anya,

Thank you so much for continuing to excel at your job!

I've had the pleasure of working with you now for over 2 years. The clients I refer to you brag on you, so I need to brag on you too!

Repeatedly my clients express their gratitude for how quickly you are able to respond and answer your questions. They also appreciate the depth of knowledge you have about insurance. You always seem to ask a question they didn't think about, and definitely not a question an insurance website would ask either.

Getting an online policy may seem convenient and easy... just hope you never have to file a claim. I know my clients will have the appropriate coverage in the event they do need to file a claim, and also someone in their corner fighting for them every step of the way.

Again, thank you for your great work. I will continue to refer clients to you knowing you will take care of all their insurance needs.

Sincerely,

A handwritten signature in blue ink that reads 'Clay Jeffreys'.
