Dear Gerald,

I want to take this opportunity to thank you for your professionalism and excellent customer service during the recent purchase of my home in Fayetteville Georgia and for being able to sell quickly the home I was living in located in Grantville Georgia. Gerald, you made the whole process from the application to closing seamless. Given your vast amount of experience, you were very efficient.

Gerald, you provided my wife and I with excellent advice that was detailed and specific to our needs. Your careful explanation of the whole process made me feel at ease. I feel confident about referring other people to you because I know firsthand how great you are from how you handled me as your client. Again, thank you for providing such great assistance with the sale of one home and the purchase of a new home. I feel privileged to be able to recommend you to my friends, family and colleagues when the opportunity presents itself.

Respectfully,

Jerome Mills
