To Whom it May Concern:

Kenitra is an exceptional professional in the handyman industry, with experience in sales, dispatch, coordination, and problem-solving. One of her most outstanding qualities is her reliability—she consistently follows through on her commitments.

Kenitra's warm demeanor quickly puts clients at ease, and she has a natural ability to build trust. I highly recommend her for any handyman-related projects.

I recently referred a very particular client to Kenitra for a plaster removal and replacement project. The client was extremely pleased with Kenitra's work and grateful for the opportunity to work with her. Sincerely,

Paula Charles
