Dear Colleagues,

It's not every day you meet someone like Jacque Streever. While many know her as the go-to expert for all things Mary Kay—beauty, skincare, and thoughtful gifts—what I've come to treasure most is everything she brings beyond the products.

Jacque has a true gift for turning my last-minute gift ideas into meaningful treasures that are beautifully presented and deeply appreciated. She's consistently gone above and beyond, always ready with a thoughtful referral, a well-timed connection, or sound business advice that has helped me tremendously both personally and professionally.

She's not just a "Jac" of all trades—Jacque is truly a master of many. Whether it's her warm spirit, her professionalism, or her resourcefulness, she adds value wherever she goes. I'm grateful for her presence, her passion, and her partnership.

If you're thinking of working with Jacque, stop thinking and do it. You'll gain so much more than great skincare—you'll gain a trusted ally.
