Dear Tanner,

I wanted to take a moment to thank you and commend you for the outstanding work you did on my roof. Your attention to detail and commitment to quality were evident in every part of the job.

You repaired broken shingles, found and fixed a leak that had caused damage to the living room ceiling, sealed the flashing around the chimney, and repaired the overhang above the front door. Each task was handled efficiently and with great care.

You are a very hard worker—dependable, skilled, and thorough. I truly appreciate your professionalism and the pride you take in your work. I would gladly recommend you to anyone in need of roofing services.

Thanks again for a job well done.

Sincerely,

Keith A. Early
