To Whom It May Concern,

I'm pleased to offer my full recommendation for *Nix Electrical* and especially Steven, who provided an exceptional experience during a recent electrical service at our home.

From the moment he arrived, Steven was professional, courteous, and clearly very knowledgeable. He quickly diagnosed the issues we were experiencing with flickering lights and a non-functioning ceiling fan. What stood out was how clearly he explained the problems and walked us through practical solutions—we felt informed and confident every step of the way.

In addition to troubleshooting, Nix Electrical also installed a new electrical outlet in our living room. The job was completed quickly, efficiently, and most importantly, done right the first time.

Steven's professionalism, skill, and reliability made this a stress-free experience. We'll absolutely be calling on Nix Electrical again for any future electrical needs, and I wouldn't hesitate to recommend them to anyone looking for honest, high-quality electrical work.

Sincerely,

Stefan Delay
