RE: Endorsement Letter- Breath Easy Concierge Mechanic Service

To Whom it may concern:

I wanted to take a moment to say thank you for a job well done by David Schleier and his team at Breath Easy Concierge Mechanic Service. Meeting Dave was truly timely. Shortly after his visit to our team, I experienced my truck overheating on the way to work.

Once I arrived, Dave talked me through some possible causes and confirmed that I was safe to drive. He suggested a few things to help me get back home safely and soon after we scheduled the necessary repairs. The scheduling process was a breeze!

I worked with Tyler from his team, who came out and completed the repairs at my office. He was professional, knowledgeable and quickly assed the issue, mad the fix and had me back in the road before lunchtime.

As a numbers guy, I had a few follow up questions about billing. Dave was excellent – He provided detail and explanations and walk me through the how, the what and the why. Now I know the who - Dave is who I'll be calling for all my family's car repairs.

Thanks again, Super Dave. I encourage everyone to grab a coffee and find out why he is Super at what he does.

Regards,
