G Miranda

Reliable Flooring

Dear G,

I'm writing to provide my official endorsement for you as a flooring expert. As your client, I can attest to your skills, credibility, and professionalism.

Our 14 year-old lab, Rio was incontinent in his has 3 months of life. Our family room carpet was original to our house and already in need of replacement. Our upstairs carpets had been replaced within the last 10 years, but had lived through life with two teens and two large dogs.

G you were so easy to work with, clear in your process, and provided great pricing. You installed new hardwoods that matched our existing hardwoods perfectly in exactly the timeframe promised. We are thrilled!

I know that your services can benefit any homeowner wanting to do a flooring update!

Thank you!
