

Lacy Loyd and PENCO are amazing!!!

My church, Christ Our Shepherd Lutheran, is celebrating its 50th Anniversary this year. We excitedly dug up our time capsule only to discover moisture had seeped inside it. A Bible, hymnal, and Book of Concord had mold on them. I took pictures and tried to clean them from ideas on google to no avail. I thought we would have to trash them.

Lacy and I had coffee together and I showed her the pictures. She said "let my team try to restore them."

Amazingly they were able to restore them in time for our huge celebration last Sunday!!!

Thank you, Lacy Loyd! We are forever in your debt!
