Dear PowerCore,

Recently I needed a Broker of Record letter to protect myself when quoting groups that take an excessive amount of time.

I met Katie Moore with Katherine Moore Law for lunch. She was eager to take on my project. She later sent me a scope of her work including her fees. She also said she could include a method of compensation for my work should the client choose to work with someone else after I did all the work.

Katie is very thorough and brought up issues that I had not thought of before.

I would highly recommend Katie for your business law needs.

Sincerely,
