

To Whom It May Concern,

I am pleased to recommend Mike Breit, Financial Advisor with Edward Jones. I know Mike through our PowerCore networking group and have also worked with him directly on my financial planning.

He assisted me with my 401(k) and opening a money market account, providing clear guidance and making the process simple and stress-free. Mike's professionalism, integrity, and client-focused approach set him apart, and I trust his advice completely.

I confidently recommend Mike Breit to anyone seeking a knowledgeable and reliable financial advisor.

Sincerely,

Jacquelin Underwood
