

Cliff,

I just wanted to take a moment to say how grateful I am for everything you've done for my family and me.

As you know, our situation isn't exactly straightforward, and I can't tell you how much I appreciate the time you spent making sure we got everything we needed. The way you made sense of all the moving pieces and helped us get the right protection — without overspending — meant so much to us.

What I appreciated most was how you walked us through every option. We came in thinking we knew what we needed, and you really took the time to educate us so we could make decisions that truly made sense for our situation. Instead of recommending more insurance, you helped us restructure coverage in smarter places so we were better protected and spending less.

Your level of honesty and care is special — you truly embody what it means to be a "good neighbor." It shows in how you treat people and how genuinely you look out for their best interest.

I will gladly recommend you to anyone who is looking for an insurance agent they can trust.

Thank you for your patience, your expertise, and for truly caring about getting us the right plan. My family and I are incredibly grateful for all your help.

In appreciation,
