

Personal Endorsement Letter: Thele Moore Insurance

To Whom It May Concern,

I'm writing this personal endorsement to share just how grateful I am for the exceptional service and care I received from **Thele Moore of American Family Insurance**.

Like many families, I've been feeling the financial pressure of rising monthly expenses — especially with home and auto insurance rates increasing seemingly without warning. It had become overwhelming, and I knew I needed help finding real solutions.

That's when I reached out to Thele.

From the very beginning, Thele was professional, honest, and deeply committed to helping me find a better path. She took the time to thoroughly review my coverage, explain my options in plain language, and most importantly — **helped me lock in phenomenal rates** that brought my monthly costs back down to a place that felt manageable again.

This wasn't just a small savings — the break she was able to give me truly lifted a weight off my shoulders. I felt heard, understood, and genuinely supported throughout the process.

If you're looking for an insurance agent who doesn't just sell policies but actually **shows up with solutions**, I can't recommend Thele Moore enough. She's knowledgeable, compassionate, and absolutely committed to her clients' well-being.

Sincerely,
Athenia Rodney
