To Whom It May Concern,

I am pleased to offer my full endorsement of Kenitra Harrington and her team at 3D Handyman Atlanta.

I initially reached out to Kenitra while in a bind and in need of reliable, immediate support. Not only did she step in without hesitation, but she delivered high-quality workmanship in an expeditious and professional manner. Her ability to execute under pressure, while maintaining attention to detail and service excellence, truly set her and her team apart.

I was extremely satisfied with the level of service provided, and more importantly, our mutual client was equally pleased with the outcome. That alignment—meeting both operational expectations and client satisfaction benchmarks—is a clear indicator of Kenitra's professionalism and commitment to excellence.

Kenitra Harrington and 3D Handyman Atlanta have demonstrated that they are dependable, solution-oriented, and capable of delivering results when it matters most. They have earned my trust and my full endorsement, and I look forward to continuing to work with Kenitra and her team in the near future.

Please feel free to move forward with confidence.

Sincerely,

Derrick J. Wilson, WRT
