To PowerCore –

I want to recommend David Machost with Garrett Insurance. We have worked with David for over fifteen years. By working with a number of carriers, David gets us the best rates while at the same time maintaining the highest policy limits.

This month he was able to save us over \$1500 by changing our home and auto insurance to another one of his quality carriers.

David always answers our questions and concerns.

He is a great P&C agent.

Thanks,
