Dear Michelle,

I cannot thank you enough for finding the perfect vacation package for Greg and I to celebrate several milestones in our lives, not the least of which is our 25th wedding anniversary. Greg and I have wanted to do something special for our 25th wedding anniversary for several years. We did not have a specific vision but we knew we wanted to have as many loved ones involved as possible.

Your questions to get a vision for our trip were perfect for helping us to narrow down what we wanted. Once you reviewed our less than specific vision, you provided several perfect options that fit our most important desires for this trip. The value of your services far exceeds the cost.

We ended up selecting an 8-day cruise that happened to be on sale. You found such a great cruise at a great price, we were able to get 14 of our family and friends to come with us. The ease of booking the cruise with you and the peace of mind that our group is connected for dining and other activities are invaluable. When we have questions, we know we have a trusted partner at our side to ensure that we have the correct information. We have the confidence of knowing that we have a knowledgeable person to take care of any issues that come up when traveling. It allows us to completely enjoy our amazing vacation with our loved ones without stress. Thank you from the bottom of our hearts for bringing our vacation vision to life in such an incredible way.

Sincerely,
