To Whom It May Concern,

I am writing to provide my strong endorsement of Cecilia Ann Prescott of InsuranceHub Leavitt Agency Inc. for her outstanding professionalism, responsiveness, and commitment to delivering comprehensive insurance solutions.

I initially reached out to Cecilia while seeking pollution insurance coverage for my remediation company. What began as a straightforward request quickly evolved into a far more thorough and value-driven experience. Rather than limiting her efforts to the single policy I requested, Cecilia took the initiative to conduct a broader review of my business insurance needs. She evaluated options for general liability coverage as well as tools and equipment protection, ensuring that no critical exposure was overlooked.

Within a short period of time, she presented not only a quote for pollution insurance, but a bundled proposal that included pollution coverage, general liability, and equipment coverage. Remarkably, the combined package proved to be more cost-effective than maintaining separate policies for general liability and pollution insurance alone. This demonstrated both strategic foresight and a genuine commitment to acting in my company's best financial and operational interest.

Cecilia Ann Prescott went above and beyond expectations, delivering attentive service, clear communication, and well-researched options that positioned my company for stronger protection and long-term stability. Her consultative approach and willingness to dig deeper made a meaningful difference in my decision-making process.

As of February 1st, Cecilia Ann Prescott at InsuranceHub Leavitt Agency Inc. officially serve as the insurance agent for Guardian Restoration Group of Georgia, LLC, and I am confident in that partnership moving forward.

Thank you, Cecilia, for your diligence, professionalism, and exceptional service. I look forward to a continued working relationship built on trust and performance.

Sincerely,

Derrick J. Wilson, WRT
