Re: Endorsement

Dear Lou:

This letter is to thank you for your excellent work in two (2) separate matters, the first being the case in which I associated you for the preparation and filing of a deed for a client, and the second being your assistance to me in a similar, albeit more complicated, transaction this past week.

I greatly appreciated your knowledge and professionalism. You not only took the time to discuss with me and explain the issues regarding the various parties, deeds, and filing processes; but you followed up with the matters after your work was complete. Moreover, I appreciated you and your staff providing all of the personal attention to the matters and doing so in a very timely fashion.

I look forward to working with you again in the future as well as finding more opportunities to refer to you my clients and friends who may need your advice and assistance in real estate closings and related matters.

Thank you again for your fine work.

With best wishes and kindest regards, I am

Sincerely yours,

J. Marc Replogle
