To Whom it May Concern:

It is my pleasure to endorse Michelle Hibbert. Michelle recently helped in planning and booking a trip for my wife and me. We both work full time jobs and have a ten month old baby, so free time to plan a trip is limited. From start to finish, the experience was professional, seamless, and enjoyable.

Michelle took the time to understand exactly what we were looking for and translated that into a well-organized and thoughtfully curated itinerary. She was available at various times whenever we had a free moment. Moreover, she worked quickly to secure accommodations.

Working with Michelle removed stress from our life—and that is invaluable. When all was said and done, she booked three different hotels in three different towns, obtained a specific rental car that I didn't think would be possible to find, and secured dinner reservations. Impressively, she did all of this very quickly.

We will continue to work with Michelle for our future travel plans. I highly recommend her to anyone looking for a reliable, knowledgeable, and client-focused travel professional.

Sincerely,
