To Whom It May Concern,

It is a pleasure to recommend Mike Breit, CFP®, ChFC®, CRPC™, Financial Advisor and Limited Partner at Edward Jones.

Having known Mike for over four years, I have seen him present multiple times on retirement and financial planning. His friendly demeanor and deep expertise initially made me comfortable discussing my personal investments, but his strategic insight truly won me over.

When Mike noticed I was paying an extra \$800 monthly toward my low-interest mortgage principal, he explained that I was essentially giving the lender an interest-free loan. He showed me how those funds could work harder for me if invested elsewhere—even in a simple money market account. That clear, high-value advice made me a client.

Mike excels at breaking down complex concepts into easy-to-understand layman's terms. His professionalism, integrity, and client-first approach offer true peace of mind. I highly recommend Mike Breit to anyone seeking an exceptional financial advisor.

Respectfully,
