Dear Matt,

I wanted to take a moment to thank you and the team at **That 1 Painter** for the outstanding job you did painting my house.

From the beginning, the communication was excellent. You took the time to explain the entire painting process, what needed to be done, and what I could expect throughout the project. I was particularly impressed by the attention to detail and the extensive preparation work that went into the job. It was clear that your team understood that a great paint job begins with thorough preparation.

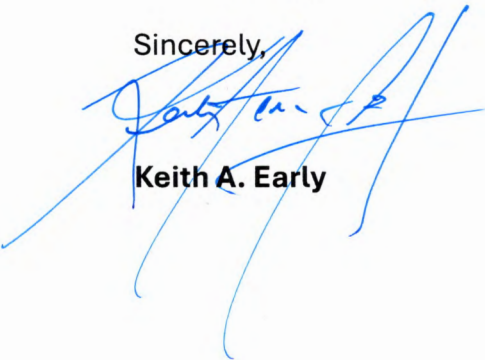

Jesus and the rest of the crew did an exceptional job. They hit the ground running and worked extremely hard throughout the project. Their professionalism, work ethic, and attention to detail were evident from start to finish.

Most importantly, the finished product looks fantastic. The transformation is remarkable, and I can confidently say that **my house is now the best-looking house on the street!**

I am extremely pleased with the quality of the work and the overall experience. I would not hesitate to recommend Matthew Klepper, Jesus, and the entire team at That 1 Painter to anyone looking for a professional painting company that communicates well, pays attention to the details, and takes pride in its work.

Thank you again for a job exceptionally well done.

Sincerely,

Keith A. Early
