Dear Joann,  
George and I are privileged to live in a loft, which we love.  
This also means everything is visible, at all times, to everyone.

- From the dining area visitors can see the guest wallbed,
- There is always a full view of the master bedroom area.
- 

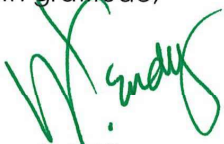

So I wanted some covers. In my mind I knew exactly what they would look like: fitted sheets, in black canvas, that would pull taut for a clean modern look and be resistant to cat claws.

And that's what you gave us.

My description became your creation.

Look – even Quink approves!

With gratitude,

Wendy L. Kinney
