Dear Chantel,

Thank you for your guidance and help drafting a sales agreement for my business. I was looking for a way to ensure that the sales terms for my wall art and policies were clearly understood and agreed upon with my clients.

I greatly appreciated you coming to my studio and spending time to review my requirements and to understand what I needed. You were so thorough and professional, thinking through all the possible scenarios and coming up with great solutions. You gave me the best advice and got me thinking of possibilities I had not even considered.

You really listened to my pain points and needs. I was impressed by the quick turnaround for the final document and to reasonable price too!

There's a lot of time and effort that goes into what I do. I want my clients to understand exactly what they will be getting. Knowing that clients are clear on process and return policies outlined in my new sales agreement gives me great peace of mind.

With great appreciation,
