Hi Craig:

I just wanted to say "Thank You" for taking such great care of my Real Estate Clients and our Agents. Your professionalism and experience certainly makes you shine above the other competitors in your field.

And a special thanks for taking care of my daughter, Kim, after she moved here from Michigan to begin her new career. As you know, she lost her insurance and you were there to make sure you had some insurance coverage thru the HAS programs.

Regardless of what business we are in, remember the saying that products (properties), pricing (negotiations) and discounts (concessions) will always change. But long-term relationships should last a lifetime!! And I look forward to continuing that long-term relationship with you.

Again, it is an absolute pleasure working with somebody of your caliber that provides a "first class" service. Thanks again and rest assured that I will be recommending your service to others.

Sincerely,

Patrick K. Comeaux
