Re: Buying and Selling my Homes

Dear Jason,

We had no special problems selling or buying our houses, and that is largely thanks to you. I know firsthand that you give the same level of courtesy, understanding, and clearheaded advice to someone selling a \$150,000 house that you do to someone buying a \$300,000 house. It doesn't matter what's in it for you, you are always a true professional and a credit to your industry.

Jason, it is my privilege to recommend to everyone buying or selling a house that they take advantage of your skills.

I am, very truly yours,

Lee Pruitt
