Dear Greg:

I want to thank you for the wonderful job your men did on the windows of my home. They were kind, considerate, courteous, and a joy to work with at the house.

I know that you bent over backwards to accommodate my address, as you were just out of reach for the territory. I appreciate your above and beyond the call of duty dedication to getting it done.

Needless to say, the windows are clean and I just am so pleased.

Thanks again and please pass along my thanks to your guys.

Warmest regards,

Sandy M. Jones
