To anyone seeking home, auto, or liability insurance:

Ben Ragin is your guy! My husband and I just moved all of our property and liability insurance needs to Ben: 2 homes and three vehicles. Ben actually looked at the unique features of each item. We ended up with better insurance at close to the same cost as our previous policy.

But what we really got that is invaluable, is his attention. He smoothed the way with the mortgage loan office when we refinanced our home, assuring her that we indeed have insurance. He checked back in with us after the closing to make sure everything went well. And unlike many agents, he calls back, and checks email on weekends. That's service! And he is funny, polite, and easy to work with.

We feel confident that Ben will take care of us if we ever have a need. I recommend Ben without hesitation.

Best regards,
